Requirements for Evaer video recorder

Evaer video recorder for Skype requires the following minimum system requirements:

- PC running Windows XP, Vista, Windows 7, Windows 8, Windows 10 (32-bit or 64-bit).
- Desktop of Skype version 3 or higher (We recommend you always use the latest Skype version).
- Skype for Windows 10 App (Which you can install it from Windows 10 store.).

Evaer **does not** work on Mac OS or Linux.
