

Licensing/Activation

How do I activate the license code after purchasing the full version?

How to enter the activation code:

You just need follow below two steps to activate the Evaer call recorder for Teams:

1). Please run Evaer, click Evaer software menu " **Help** --> **Register**".

2). Enter the license code as well as the email address under (2) "**Enter license code**", then "**Activate!**" button will become active. Click it, the code will be verified and if correct the software will be permanently registered to an unlimited license.

"Please Copy and Paste your Register Email and License Key into the two registration textbox fields"

Product Name: Evaer video call recorder for Skype license

Register Email: youremail@yourisp.com

License Key : 9CB1239UH-ACCEF51-BYLOV3F

A screenshot of the 'Evaer Activation' dialog box. It contains the following text: 'You are in trial mode. You can record up to 5 minutes every time.' followed by 'To active Evaer video recorder for Skype follow two simple steps below.' There are two links: 'Click here to get a license code' and 'Enter license code here'. Below these are two text input fields. The first field is labeled 'User Email' and contains 'youremail@yourisp.com'. The second field is labeled 'License Key (XXX-XXX-XXX)' and contains '9CB1239UH-ACCEF51-BYLOV3F'. At the bottom are two buttons: 'Continue Trial' and 'Activate'. The 'Activate' button is highlighted with an orange rectangle.
